The screenshot shows the Atlassian account management page. The left sidebar contains the following navigation links:

- Profile and visibility
- Email
- Security
- Account preferences
- Connected apps
- Link preferences
- Products

The main content area is titled 'Manage your personal information, and control which information other people see and apps may access.' It includes a link to 'Learn more about your profile and visibility or view our privacy policy.' The 'Profile photo and header image' section shows a placeholder for a profile photo with the initials 'VV' and a dropdown menu for 'Who can see your profile photo?' set to 'Anyone'. The 'About you' section contains the following information:

Field	Value	Who can see this?
Full name	Viji Vijipalani	Anyone
Public name	Viji Vijipalani	Anyone
Job title
